

Affiliate Membership Program of the Estes Park Board of Realtors®

**The Estes Park Board of REALTORS® and Their Affiliates: Teaming Up To Meet The Needs Of The Estes Valley.**

The members of Estes Park Board of REALTORS® (EPBOR) love this community. We realize how fortunate we are to live here and we put our energies towards preserving and improving it, whether by cleaning up trash alongside our roads, providing scholarships to Estes Park High School seniors, establishing a down-payment assistance program to help our young families and our energetic workforce get established here, or by assisting people in emergency housing situations. We are also proud to be a large part of the Estes Valley's economy.

We are joined in our efforts to help the people of the Estes Valley by our relationship with the Estes Park Service Affiliates, a strong support group that shares their knowledge and expertise with Estes Valley homeowners and homebuyers to assist with a wide variety of real estate-related needs.

These affiliates compose a special category of EPBOR membership, reserved for individuals or businesses who are not actively engaged in the real estate profession, but who have an interest in the activities of the association or offer goods and services used by real estate professionals and/or their clients.

They collaborate with us and support us in our endeavors, for our community and clients. By joining their many areas of expertise with ours, they have become a crucial component in allowing us to truly offer "full service," in order to best meet the needs in our community, no matter what they may be.

If you have a business that provides goods and services used by real estate professionals and/or their clients, we would like to invite you to join the association as an Affiliate Member. Affiliate membership provides networking opportunities with realtors who can connect you with people who are looking for your products, services and expertise.
