

## **Membership Meeting: 8:00 am May 5, 2016 – Town Hall Meeting Rooms**

**Thank You's:** Breakfast thank you to Prudential Team Realty

**Program:** Susan Fereday – State Farm – Fire Mitigation – Check out [www.firewise.org](http://www.firewise.org), it has 3 zones. Trees on the roof, gutters, and road access are the issues. There are other mapping programs to use, check with your agent. Each company has different mapping, qualifications, so talk to your agent. Inventory is the biggest issue when someone loses a home, try to have a list of items to make the process easier. Mary Murphy – a brochure will be coming out to give to new home owners, with necessary contacts. Mike Richardson - Estes Fire Department will come out and give you a free report on your property. Mailing should be going out in a week or two and each REALTOR will get a PDF to give to their clients. We are also trying to get bear information for everyone also...trying to get all this information for buyers at closing.

**Success Story** – Anyone have a success story they would like to tell and thank someone? Stacey Huyler-Fisher wanted to thank Susan Fereday. They worked together to determine if a property was in a flood zone or not. Thanks also to Duane in Susan's office.
